• A RESPONSIBLE COMPANY •

PEOPLE

Martello and its owners are dedicated to caring for people.

In line with this ethos, a percentage of our profits are donated each year to a diverse range of charitable causes, supporting education and training, disaster funds, poverty relief, care support, and community projects.

We are committed to being a sustainable and environmentally conscious business.

We work collaboratively with our supply chain, customers, employees, and community, striving to continually improve our processes and practises.

PRODUCT

Squiggle® products are designed to provide therapeutic occupation, mindfulness and enjoyment for all ages.

With the consumers best interests at heart, the fast growing product portfolio ensures happy customers.

With fully recyclable paper pages, Squiggle® books also ensure the planet is protected and preserved for future generations.

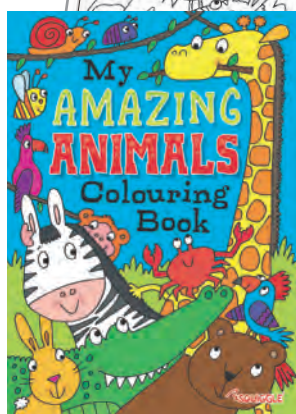

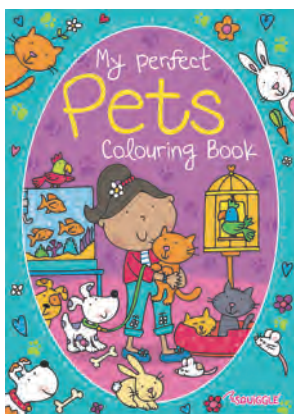

PLANET

Squiggle® books include virtually every colour under the sun, but our favourite is green!

We believe we have a responsibility to protect and preserve our planet and it's environment. We have the ambition to reduce our impact on our surroundings to promote the well-being of our planet for future generations.
